

## National MDR & IVDR Conference 2021 19 October 2021, BERNEXPO, Bern

### Robyn MEURANT, ACT-IVD

Robyn Meurant is the Principal Consultant at ACT-IVD, a technical and regulatory consultancy committed to helping good products come to market efficiently. Ms Meurant has been a medical laboratory scientist (her university degree was in this domain), a regulator, a professional officer for WHO and a senior IVD regulatory consultant for NSF. Her interests are regulation, IVDs, infectious diseases, genomics and Companion diagnostics, and regulatory system strengthening. She currently works with manufacturers, international governments, academia and NGOs.
