4 Setup and deconstruction

4.1 Setup Time

You will be asked to let us know before the event, when you will arrive on site.

- Tuesday, 24 June, 16.00 h to 19.00 h
 For equipment deliveries by car and for complex set-ups, that will take longer than 30 minutes and/or require assistance by the venue operators.
 Please use the drop off point no. 2 (Schänzlistrasse 71) marked in the picture.

- Wednesday, 25 June, 07.30 h to 08.30 h
 For easy set-ups that will not take longer than 30 minutes and will not need staff assistance.

Please note that you cannot bring material that requires a lift or a ramp in through the main entrance on the conference day. Also understand, that the setup time in the morning is very short and parallel to the peak entry for regular participants, so our staff might not be able to help you out right away.

4.2 Deconstruction Time

Wednesday, 25 June, from 18.00 h

Please be aware that at this time the apéro is still ongoing, and you should be as quick and quiet as possible.

5 Role and tasks of tabletop exhibitor

It is mandatory for the selected participants to be present at their tables during networking breaks.

Participants value innovative projects and products. Please be creative for your stand information so people will be interested to visit you.

6 Organizing your stand presence
